1. WATER CONSERVATION, SANITATION & HYGIENE AWARENESS PROGRAM

Drinking Water, Sanitation & Hygiene Awareness Program was organized by the Society. The main aim of the Society is to provide pure & clear water so the wells, tube wells & ponds were cleared by the help of the Members of the Society.

The members of the Society aware the public about water which they use and society also has been very active in the field of raising awareness about good sanitation facilities in the slum areas. Lack of good sanitation facilities is curse for the majority of the urban population. Disproportionately increasing.

Population has made the situation more worse. All the efforts made by the civic authorize have failed to achieve the targets. There is need for voluntary organization to come forward and help the civic authorities in providing sanitation facilities to more and more people. Our society has created various sanitation infrastructures during previous financial year and further it organized various cleanliness drives in various localities.

2. AIDS & CANCER AWARENESS PROGRAM

No disease has ever ended the life, the way AIDS does. HIV has become the biggest challenge before the mankind. As because it is an infectious disease the danger that it poses is immense. The only way to escape AIDS is to be aware of all the ways in which AIDS can take place. A camp was organized by the Society at
